

Car Care Event Scheduled for National Preparedness Month

In celebration of National Preparedness Month in September, Sonsio is holding their 5th annual Car Care Fest and car show on Saturday, September 21st, from 10am to 1pm at 5630 Ward Road in Arvada, Colorado.

In September, as summer comes to an end, it is time to get your car ready for winter driving and holiday road trips! National Preparedness Month reminds you to take care of any issues that may have occurred or been ignored during the summer. Stop by and get car maintenance advice and information from our exhibiting partners like NAPA AutoCare Center, Advance Auto Parts, Pickering's Auto, Interstate Batteries and more.

There will be information booths offering valuable coupons and giveaways, as well as local vendors and businesses, displays, food, prizes, family-friendly entertainment and more.

The Car Care Council is the source of information for the “Be Car Care Aware” campaign, educating consumers about the benefits of regular vehicle care, maintenance and repair.
